Professional Experience

Artemis

01/2024 - 01/2025

Frontend Web Developer

- Designed and developed frontend interfaces for a professional recruitment platform serving the UK market.
- Built responsive web experiences using React, Next.js, TypeScript, and Tailwind CSS.
- Developed reusable UI patterns and structured layouts for recruitment services and job-related content.
- Focused on responsive behaviour, usability, information hierarchy, and polished visual presentation.

Fastlane

02/2023 - 12/2023

Frontend Web Developer

- Developed responsive frontend interfaces for a digital top-up platform.
- Translated product requirements into user-focused web interfaces across desktop and mobile devices.
- Focused on clear purchase flows, responsive layouts, and consistent UI implementation.
- Collaborated around product and backend requirements to deliver frontend features and refinements.

Independent / Freelance

present

Freelance Full-Stack Developer

- Built and deployed web applications across frontend and full-stack projects.
- Developed responsive interfaces using React, TypeScript, Next.js, and Tailwind CSS.
- Worked with backend technologies including Node.js, Express, MongoDB, and Supabase.
- Integrated external APIs and third-party services into application workflows.
- Built and refined independent projects while continuing to develop full-stack engineering skills.
